

Puppy Agreement
(Please scan completed forms and return via email)

This form applies only to applicants for dogs 6 months and younger. Please read the following information carefully.

1. Your puppy will have three rounds of medical treatment. We will provide, at minimum, the first round. This includes the following items:

Round 1: 8-11 Weeks Old

- Physical Examination
- Parasite Examination
- Bordatella Vaccination
- DHPP Vaccination
- Nail Trim
- Parasite Prevention
- Dewormer

Depending on the age of the puppy you adopt, you may be responsible for one or two additional rounds of medical treatment. This includes the following items:

Round 2: 11-14 Weeks Old

- Physical Examination
- DHPP Booster
- Leptospirosis Vaccination

Round 3: 14-16 Weeks Old

- Physical Examination
- DHPP Booster
- Leptospirosis Booster
- Rabies Vaccination.

2. Your puppy will be spayed/neutered prior to adoption.

3. Your puppy will have a microchip implant registered to Sunny Pits, Inc. prior to adoption. This registration cannot be altered.

4. Your puppy will receive flea, tick and heartworm prevention starting at 8 weeks of age. You must provide this prevention continuously for their entire life.

5. Your puppy will not be trained. You must be prepared to work with your puppy through many normal issues. This may include but is not limited to, potty training, teething (chewing on anything they can reach), barking, jumping on people, and crate training.

The items above are in the interest of the health and well being of the animal. They are non-negotiable. By signing below, you agree to all the information in this document. Failure to comply with any of the items mentioned may result in having the animal revoked. In that event, you agree to relinquish the animal willingly to Sunny Pits, Inc.
